### ***Sale of Notes***

On September 25, 2019, Kraft Heinz Foods Company (the “Issuer”), a 100% owned operating subsidiary of The Kraft Heinz Company (the “Guarantor”), completed its previously announced offering of \$1.0 billion aggregate principal amount of its 3.750% senior notes due 2030 (the “2030 Notes”), \$500 million aggregate principal amount of its 4.625% senior notes due 2039 (the “2039 Notes”) and \$1.5 billion aggregate principal amount of its 4.875% senior notes due 2049 (the “2049 Notes” and, together with the 2030 Notes and the 2039 Notes, the “Notes”) in a private offering (the “Offering”). The Notes were sold to qualified institutional buyers pursuant to Rule 144A and to persons outside the United States under Regulation S of the Securities Act.

The Notes were issued pursuant to an Indenture, dated as of July 1, 2015, among the Issuer, the Guarantor and Deutsche Bank Trust Company Americas (as successor to Wells Fargo Bank, National Association), as trustee (the “Trustee”), as supplemented by the Eighth Supplemental Indenture, dated as of September 25, 2019, by and among the Issuer, the Guarantor and the Trustee (the “Eighth Supplemental Indenture”).

The Issuer intends to use the proceeds from the Offering, after deducting the Initial Purchasers’ (as defined below) discounts and related fees and expenses, together with cash on hand, (i) to fund the previously announced tender offer (the “Tender Offer”) to purchase, for cash, up to a maximum combined aggregate purchase price of \$2,500,000,000, excluding accrued and unpaid interest (the “Maximum Tender Amount”) of its outstanding 3.500% senior notes due June 2022, 3.500% senior notes due July 2022, 4.000% senior notes due 2023 and 4.875% second lien senior secured notes due 2025 and to pay fees and expenses in connection therewith and (ii) to fund the previously announced conditional partial redemption of \$500 million aggregate principal amount of its 2.800% senior notes due 2020. In the event that the Tender Offer is not consummated, or less than the Maximum Tender Amount is tendered, the Issuer intends to use the net proceeds of this Offering for general corporate purposes, which may include the repayment or repurchase of outstanding indebtedness.

The 2030 Notes will mature on April 1, 2030. The 2039 Notes will mature on October 1, 2039. The 2049 Notes will mature on October 1, 2049. Interest on the 2030 Notes will accrue at the rate of 3.750% per annum, interest on the 2039 Notes will accrue at the rate of 4.625% per annum, and interest on the 2049 Notes will accrue at the rate of 4.875% per annum. Interest on the Notes will be payable semi-annually in arrears on April 1 and October 1 of each year, beginning on September 25, 2019. The Notes are guaranteed on a senior basis by Kraft Heinz.

### ***Registration Rights Agreement***

In connection with the sale of the Notes, the Issuer and the Guarantor entered into a Registration Rights Agreement, dated as of September 25, 2019 (the “Registration Rights Agreement”), with BofA Securities, Inc., Citigroup Global Markets Inc. and Wells Fargo Securities, LLC, for themselves and on behalf of the other initial purchasers (the “Initial Purchasers”) with respect to the Notes. Under the Registration Rights Agreement, the Issuer and the Guarantor have agreed, with respect to the Notes, to file a registration statement with respect to an offer to exchange the Notes for a new issue of substantially identical notes registered under the Securities Act of 1933, as amended, to cause an exchange offer registration statement to be declared effective and to consummate the exchange offer no later than 545 days after September 25, 2019. The Issuer and the Guarantor may be required to provide a shelf registration statement to cover resales of the Notes under certain circumstances. ## ARTICLE TWO

### GENERAL TERMS AND CONDITIONS OF THE NOTES

#### Section 2.01. Designation and Principal Amount.

The Notes are hereby authorized and are respectively designated the 3.750% Senior Notes due 2030, the 4.625% Senior Notes due 2039 and the 4.875% Senior Notes due 2049, each unlimited in aggregate principal amount. The 2030 Notes issued on the date hereof pursuant to the terms of the Indenture shall be in an aggregate principal amount of \$1,000,000,000, the 2039 Notes issued on the date hereof pursuant to the terms of the Indenture shall be in an aggregate principal amount of \$500,000,000 and the 2049 Notes issued on the date hereof pursuant to the terms of the Indenture shall be in an aggregate principal amount of \$1,500,000,000, which amounts shall be set forth in the written order of the Company for the authentication and delivery of the Notes pursuant to Section 301 of the Base Indenture.

In addition, without the consent of the Holders of the Notes, the Company may issue, from time to time in accordance with the provisions of the Indenture, Additional Notes having the same ranking and the same interest rate, maturity and other terms as the Notes (except for the issue date, issue price, and, in some cases, the first payment of interest or interest accruing prior to the issue date of such Additional Notes); provided that if such Additional Notes are not fungible with such Notes issued on the date hereof for United States federal income tax purposes, the Additional Notes will be issued under a separate CUSIP number. Any Additional Notes having similar terms, together with the Notes issued on the date hereof, shall constitute a single series of notes under the Indenture. No Additional Notes may be issued if an Event of Default has occurred with respect to the Notes.

Section 2.02. Maturity.

(a) Unless an earlier redemption has occurred, the principal amount of the 2030 Notes shall mature and be due and payable, together with any accrued interest thereon, on April 1, 2030.

(b) Unless an earlier redemption has occurred, the principal amount of the 2039 Notes shall mature and be due and payable, together with any accrued interest thereon, on October 1, 2039.

(c) Unless an earlier redemption has occurred, the principal amount of the 2049 Notes shall mature and be due and payable, together with any accrued interest thereon, on October 1, 2049.

Section 2.03. Form and Payment.

The Notes shall be issued as global notes, in fully registered book-entry form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The Notes and the Trustee's Certificates of Authentication to be endorsed thereon are to be substantially in the form of Exhibit A, which form is hereby incorporated in and made a part of this Supplemental Indenture.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Supplemental Indenture, and the Company, Kraft Heinz and the Trustee, by their execution and delivery of this Supplemental Indenture, expressly agree to such terms and provisions and to be bound thereby.

Principal, premium, if any, and/or interest, if any, on the global notes representing the Notes shall be made to The Depository Trust Company (together with any successor thereto, the "Depository").

The global notes representing the Notes shall be deposited with, or on behalf of, the Depositary and shall be registered in the name of the Depositary or a nominee of the Depositary. No global note may be transferred except as a whole by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or such nominee to a successor of the Depositary or a nominee of such successor.

Additional provisions relating to the Initial Notes, Additional Notes and Exchange Notes are set forth in Appendix A, which is hereby incorporated in and made a part of this Supplemental Indenture.

Section 2.04. Interest.

Interest on the Notes shall accrue from September 25, 2019. Interest on the 2030 Notes shall accrue at the rate of 3.750% per annum, interest on the 2039 Notes shall accrue at the rate of 4.625% per annum, and interest on the 2049 Notes shall accrue at the rate of 4.875% per annum. Interest on the Notes shall be payable semi-annually in arrears on April 1 and October 1 of each year, beginning on April 1, 2020, (each such applicable date, an "Interest Payment Date"). Interest on the Notes shall be payable to the Holders in whose names the Notes, as applicable, are registered at the close of business on the preceding March 15 and September 15 (each such applicable date, a "Record Date"). Interest on the Notes shall be computed on the basis of a 360 day year comprising twelve 30 day months.

**ARTICLE THREE**

**REDEMPTION**

Section 3.01. Optional Redemption.

At any time and from time to time, the Company may at its option redeem the Notes of any series, in whole or in part, upon not less than 30 nor more than 60 days' notice at a redemption price equal to the greater of (1) 100% of the aggregate principal amount of the Notes to be redeemed and (2) the sum of the present values of the Remaining Scheduled Payments, plus, in each case, accrued and unpaid interest thereon to, but excluding, the redemption date, subject to the rights of Holders of the Notes to be redeemed on the relevant Record Date to receive interest due on an Interest Payment Date that is on or prior to such redemption date; provided that if the Company redeems any Notes on or after the applicable Par Call Date, the redemption price for such Notes to be redeemed will equal 100% of the aggregate principal amount of such Notes redeemed, plus accrued and unpaid interest thereon to, but not including, the redemption date.

In determining the present values of the Remaining Scheduled Payments, the Company will discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Treasury Rate plus 35 basis points for any 2030 Notes, 40 basis points for any 2039 Notes and 45 basis points for any 2049 Notes.

Section 3.02. Selection and Notice of Redemption.

Notice of any redemption of any series of Notes in connection with a corporate transaction (including an equity offering, an incurrence of indebtedness or a change of control) may, at the Company's discretion, be given prior to the completion thereof and any such redemption or notice

may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related transaction. If such redemption or purchase is so subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date. In addition, the Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

If less than all of the Notes of a series are to be redeemed at any time, the Trustee will select the Notes of such series for redemption (a) on a *pro rata* basis (or as nearly as practicable) if the Notes are represented by physical certificates or (b) by lot or such other similar method in accordance with the procedures of the Depository if the Notes are represented by global certificates.

Notes of \$2,000 or less will be redeemed in whole and not in part. Notices of redemption will be mailed by first-class mail to each Holder of Notes to be redeemed at its registered address, or delivered electronically, at least 30 but not more than 60 days before the redemption date, except that redemption notices may be mailed more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Any inadvertent defect in the notice of redemption, including an inadvertent failure to give notice, to any Holder selected for redemption will not impair or affect the validity of the redemption of any other Note redeemed in accordance with provisions of the Indenture.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount thereof to be redeemed. The Company will issue a new Note in a principal amount equal to the unredeemed portion of the original Note in the name of the Holder upon cancellation of the original Note. In the case of a global note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice (including any conditions contained therein), Notes called for redemption shall become due on the date fixed for redemption. On and after the redemption date, interest shall cease to accrue on Notes or portions of them called for redemption.

### Section 5.02. Reports.

With respect to the Notes only, Section 704(a), (b) and (c) of the Base Indenture is hereby replaced with the following:

If the Guarantor is not required to file with the Commission information, documents or reports pursuant to either Section 13 or 15(d) of the Securities Exchange Act of 1934, then the Guarantor shall file with the Trustee and the Commission such reports, if any, as may be prescribed by the Commission pursuant to Section 314(a) of the Trust Indenture Act, within 15 days after the Guarantor files the same with the Commission.

For purposes of this Section 704, the Guarantor will be deemed to have filed such information, documents and reports with the Trustee and the holders of the Notes when such information, documents and reports are filed with the Commission via the EDGAR filing system (or any successor system), it being understood that the Trustee shall have no responsibility to determine if such filings have been made.

Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) *Definitive Notes.* Except as provided in Section 2.2 or Section 2.3 of this Appendix A, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of Definitive Notes.

- (i) to register the transfer of such Definitive Notes, or
- (ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Security Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(2) in the case of Transfer Restricted Notes, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to Section 2.2(b) of this Appendix A or otherwise in accordance with the Restricted Notes Legend, and are accompanied by a certification from the transferor in the form provided on the reverse side of the Form of Note in Exhibit A to the Supplemental Indenture for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto.

(b) *Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note.* A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Security Registrar, together with:

- (i) a certification from the transferor in the form provided on the reverse side of the Form of Note in Exhibit A to the Supplemental Indenture for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto, and
- (ii) written instructions directing the Trustee to make, or to direct the Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depository account to be credited with such increase,

the Trustee shall cancel such Definitive Note and cause, or direct the Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If the applicable Global Note is not then outstanding, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officer's Certificate, a new applicable Global Note in the appropriate principal amount.

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with the Indenture (including applicable restrictions on transfer set forth in Section 2.2(d) of this Appendix A, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Security Registrar a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in such Global Note, or another Global Note, and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Security Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Security Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.3 of this Appendix A), a Global Note may not be transferred except as a whole and not in part if the transfer is by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note shall be made only in accordance with the Applicable Procedures and the Restricted Notes Legend and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse side of the Form of Note in Exhibit A to the Supplemental Indenture for exchange or registration of transfers. Such written certifications shall no longer be required after the expiration of the Distribution Compliance Period. Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of the Indenture.

(iii) Upon the expiration of the Distribution Compliance Period, beneficial interests in the Regulation S Global Note may be exchanged for beneficial interests in an Unrestricted Global Note upon certification in the form provided on the reverse side of the Form of Note in Exhibit A to the Supplemental Indenture for an exchange from a Regulation S Global Note to an Unrestricted Global Note.

(iv) Beneficial interests in a Transfer Restricted Note that is a Rule 144A Global Note may be exchanged for beneficial interests in an Unrestricted Global Note if the Holder certifies in writing to the Security Registrar that its request for such exchange is in respect of a transfer made in reliance on Rule 144 under the Securities Act and/or upon delivery of such legal opinions, certifications and other information as the Company or the Trustee may reasonably request.

(v) If no Unrestricted Global Note is outstanding at the time of a transfer contemplated by the preceding clauses (iii) and (iv), the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officer's Certificate, a new Unrestricted Global Note in the appropriate principal amount.

This Note is one of a duly authorized issue of debentures, notes or other evidences of indebtedness (hereinafter called the "Securities") of the Company of the series hereinafter specified, which series is initially limited in aggregate principal amount to \$ (except as provided in the Indenture hereinafter mentioned), all such Securities issued and to be issued under an Indenture dated as of July 1, 2015 between the Company, as issuer, The Kraft Heinz Company (formerly known as H.J. Heinz Holding Corporation), as guarantor ("Kraft Heinz"), and Deutsche Bank Trust Company Americas (as successor to Wells Fargo Bank, National Association), as Trustee (the "Base Indenture"), as supplemented by the Eighth Supplemental Indenture, dated as of September 25, 2019, among the Company, Kraft Heinz and the Trustee (the "Supplemental Indenture" and, together with the Base Indenture, herein called the "Indenture"), to which Indenture and all other indentures supplemental thereto reference is hereby made for a statement of the rights and limitations of rights thereunder of the Holders of the Securities and of the rights, obligations, duties and immunities of the Trustee for each series of Securities and of the Company, and the terms upon which the Securities are and are to be authenticated and delivered. As provided in the Indenture, the Securities may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may mature at different times, may bear interest, if any, at different rates, may be subject to different redemption provisions, if any, may be subject to different sinking, purchase or analogous funds, if any, may be subject to different covenants and Events of Default and may otherwise vary as in the Indenture provided or permitted. This Note is one of a series of the Securities designated therein as the % Senior Notes due 20 (the "Notes").

The Company may, without the consent of the Holders of the Notes, issue additional notes having the same ranking and the same interest rate, maturity and other terms as the Notes, except for the issue price, issue date and, in some cases, the first payment of interest or interest accruing prior to the issue date of such additional notes. Any additional notes having such similar terms, together with the Notes, shall constitute a single series of notes under the Indenture. No additional notes may be issued if an Event of Default has occurred with respect to the Notes.

**Guarantee**

Pursuant to Article Fourteen of the Base Indenture, the Company's obligations under the Indenture with respect to the Notes shall be guaranteed on a senior unsecured basis by Kraft Heinz. Kraft Heinz shall be automatically and unconditionally released and discharged from all obligations under the Indenture and the Guarantee without any action required on the part of the Trustee or any Holder pursuant to Section 1406 of the Base Indenture.

**Change of Control Triggering Event**

If a Change of Control Triggering Event (as defined below) occurs, unless the Company has previously or concurrently delivered an unconditional (or conditional solely with respect to the consummation of the applicable Change of Control Triggering Event) redemption notice with respect to all the outstanding Notes as described in Section 3.01 of the Supplemental Indenture, Holders may require the Company to repurchase all or any part (equal to \$2,000 or an integral

multiple of \$1,000 in excess thereof) of their Notes pursuant to an offer (the “Change of Control Offer”) of payment in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued but unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of repurchase (the “Change of Control Payment”). Within 30 days following any Change of Control Triggering Event, the Company will deliver a notice to each Holder of the Notes, electronically or by first class mail at the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depositary, describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is delivered (the “Change of Control Payment Date”), pursuant to the procedures required by the Indenture and described in such notice. The Company must comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and any other securities laws, rules and regulations thereunder to the extent those laws, rules and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws, rules or regulations conflict with the Change of Control provisions of the Notes, the Company will comply with the applicable securities laws, rules and regulations and will not be deemed to have breached its obligations under the Change of Control Triggering Event provisions of the Notes by virtue of such conflicts.

On the Change of Control Payment Date, the Company will, to the extent lawful:

- accept for payment all Notes or portions of Notes validly tendered pursuant to the Change of Control Offer;
- deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes validly tendered; and
- deliver or cause to be delivered to the Trustee the Notes properly accepted together with an officer’s certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The Paying Agent will promptly deliver to each Holder of Notes properly tendered the purchase price for the Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new note equal in principal amount to any unpurchased portion of any Notes surrendered, if any; provided that each such new note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Company will not be required to make a Change of Control Offer with respect to the Notes upon a Change of Control Triggering Event if (1) a third party makes a Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements for a Change of Control Offer made by the Company and such third party purchases all Notes of this series validly tendered and not validly withdrawn pursuant to such Change of Control Offer or (2) a notice of redemption of all outstanding Notes has, prior to or concurrently with such Change of Control Triggering Event, been given pursuant to the Indenture as described in Section 1108 of the Base Indenture or Section 3.01 of the Supplemental Indenture, unless and until there is a default in the payment of the redemption price on the applicable redemption date or the redemption is not

consummated due to the failure of a condition precedent contained in the applicable redemption notice to be satisfied. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditional upon such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

Notwithstanding the provisions set forth in Section 902 of the Base Indenture, the provisions of this Note relating to the Company's obligation to make an offer to repurchase the Notes as a result of a Change of Control Triggering Event may be waived or modified prior to the occurrence of a Change of Control Triggering Event with the written consent of the Holders of a majority in principal amount of the Notes then outstanding.

For purposes of the foregoing discussion of a repurchase at the option of Holders, the following definitions are applicable:

“Affiliate” of any specified Person means any other Person directly or indirectly controlling or controlled by or under direct or indirect common control with such specified Person. For the purposes of this definition, “control” when used with respect to any Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings correlative to the foregoing.

“Below Investment Grade Rating Event” means the Notes are rated below an Investment Grade Rating (as defined below) by each of the Rating Agencies (as defined below) on any date from the date of the public notice of an arrangement that could result in a Change of Control (as defined below) until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies); provided that a Below Investment Grade Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred with respect to a particular Change of Control (and thus shall not be deemed a Below Investment Grade Rating Event for purposes of the definition of Change of Control Triggering Event hereunder) if the rating agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee and the Paying Agent in writing at their request that the reduction was the result, in whole or in part, of any event or circumstance comprising or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the Below Investment Grade Rating Event).

“Change of Control” means the occurrence of any of the following: (1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger, amalgamation, consolidation or other business combination transaction), in one or a series of related transactions, of all or substantially all of the properties or assets of Kraft Heinz and its Subsidiaries taken as a whole to any Person (as defined below) or group of related Persons for purposes of Section 13(d) of the Exchange Act (a “Group”) other than to the Company or one of its wholly owned Subsidiaries or one or more Permitted Holders (as defined below); (2) the approval by the holders of the common stock of Kraft Heinz of any plan or proposal for the liquidation or dissolution of Kraft Heinz (whether or not otherwise in compliance with the provisions of the Indenture); (3) the

consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any Person or Group becomes the beneficial owner (as defined in Rules 13d-3 (without giving effect to the proviso in clause (d)(1)(i) thereof) and 13d-5 under the Exchange Act as in effect on the original issuance date of the Notes), directly or indirectly, of more than 50% of the then-outstanding number of shares of the voting stock of Kraft Heinz; or (4) Kraft Heinz ceasing to own, directly or indirectly, 100% of the issued and outstanding shares of voting stock of the Company.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Investment Grade Rating” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s (as defined below) and BBB- (or the equivalent) by S&P (as defined below).

“Moody’s” means Moody’s Investors Service, Inc., and its successors.

“Permitted Holders” means, collectively, (1) 3G Capital, Inc., and each of its Affiliates but not including, however, any portfolio companies of any of the foregoing, (2) Berkshire Hathaway, Inc., and each of its Affiliates but not including, however, any portfolio companies of any of the foregoing, (3) any one or more Persons, together with such Persons’ Affiliates, whose beneficial ownership constitutes or results in a Change of Control in respect of which a Change of Control Offer is made in accordance with the requirements of the Indenture, (4) the members of management of Kraft Heinz (or any parent entity of Kraft Heinz) or its Subsidiaries who are holders of capital stock of Kraft Heinz or of any parent entity of Kraft Heinz on the original issuance date of the Notes, (5) any Person who is acting solely as an underwriter in connection with a public or private offering of capital stock of any parent entity of Kraft Heinz or Kraft Heinz, acting in such capacity, and (6) any Group (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act or any successor provision) of which any of the foregoing are members; provided that, in the case of such Group and without giving effect to the existence of such Group or any other Group, the Persons referred to in clauses (1) through (4) above collectively have beneficial ownership of more than 50% of the total voting power of the voting stock of Kraft Heinz or any of its direct or indirect parent entities held by such Group.

“Person” has the meaning set forth in the Indenture and includes a “person” as used in Section 13(d)(3) of the Exchange Act.

“Rating Agencies” means (1) each of Moody’s and S&P; and (2) if either of Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) of the Exchange Act, selected by the Company (as certified by a resolution of the Company’s Board of Directors) as a replacement agency for Moody’s or S&P, or both of them, as the case may be.

“S&P” means Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies, Inc., and its successors.

### **Payment of Additional Amounts**

Section 1010 of the Base Indenture shall not be applicable to the Notes.

### **Redemption for Tax Reasons**

Section 1108 of the Base Indenture shall not be applicable to the Notes.

### **Optional Redemption**

The Notes are subject to redemption at the option of the Company as described in Section 3.01 of the Supplemental Indenture.

### **Payment of Additional Interest**

The Company shall pay all Additional Interest, if any, on the applicable Interest Payment Date in the same manner as interest is paid on the Notes and in the amounts set forth in the Registration Rights Agreement.

For purposes of the foregoing discussion of Additional Interest, the following definitions are applicable:

“Additional Interest” means all additional interest then owing pursuant to the Registration Rights Agreement.

“Registration Rights Agreement” means (i) the registration rights agreement, dated as of September 25, 2019, among the Company, Kraft Heinz, and BofA Securities, Inc., Citigroup Global Markets Inc. and Wells Fargo Securities, LLC, for themselves and on behalf of the other initial purchasers set forth on Schedule 1 thereto and (ii) with respect to any Additional Notes, one or more registration rights agreements entered into in connection with the issuance of such Additional Notes in a private offering by the Company after the date hereof, as such agreements may be amended from time to time.

### **Defeasance; Satisfaction and Discharge**

The Indenture contains provisions for discharge or defeasance at any time of the entire principal of all the Securities of any series upon compliance by the Company with certain conditions set forth therein.

The Company’s obligations under the Indenture with respect to Notes may be terminated if the Company irrevocably deposits with the Trustee money or Government Obligations sufficient to pay and discharge the entire indebtedness on the Indenture.

### **Events of Default**

If an Event of Default (other than an Event of Default described in Section 501(4) or 501(5) of the Base Indenture) with respect to the Notes shall occur and be continuing, then either the Trustee or the Holders of not less than 25% in principal amount of the Notes of this series then

Outstanding may declare the entire principal amount of the Notes of this series due and payable in the manner and with effect provided in the Indenture. If an Event of Default specified in Section 501(4) or 501(5) occurs with respect to the Company or Kraft Heinz, all of the unpaid principal amount and accrued interest then outstanding shall ipso facto become and be immediately due and payable in the manner and with the effect provided in the Indenture without any declaration or other act by the Trustee or any Holder.

### **Amendments**

Without notice to or the consent of the Holders of the Notes, the Indenture and the Notes may be amended, supplemented or otherwise modified by the Company, the Guarantors, as applicable, and the Trustee as provided in the Indenture. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities under the Indenture at any time by the Company with the consent of the Holders of more than 50% in aggregate principal amount of the Securities at the time Outstanding of each series issued under the Indenture to be affected thereby. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities of that series at the time Outstanding, on behalf of the Holders of all the Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences with respect to such series. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the transfer hereof or in exchange or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

### **Payment**

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein and in the Indenture prescribed.

### **Transfer, Registration and Exchange**

As provided in the Indenture and subject to certain limitations therein set forth, this Note is transferable on the Security Register of the Company, upon surrender of this Note for registration of transfer at the office or agency of the Company to be maintained for that purpose in the Borough of Manhattan, The City of New York, or at any other office or agency of the Company maintained for that purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by the Holder hereof or his attorney duly authorized in writing, and thereupon due or one or more new notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

As provided in the Indenture and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of a like tenor and of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Company, the Trustee for the Notes and any agent of the Company or such Trustee may treat the Person in whose name this Note is registered as the owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Note be overdue, and neither the Company, such Trustee nor any such agent shall be affected by notice to the contrary.

The Notes are not subject to a sinking fund.

**This Note shall for all purposes be governed by, and construed in accordance with, the laws of the State of New York.**

## 2. Registration under the Securities Act.

(a) To the extent not prohibited by any applicable law or applicable interpretations of the Staff, the Company and the Guarantor shall use their reasonable best efforts to (x) cause to be filed an Exchange Offer Registration Statement covering an offer to the Holders to exchange all outstanding Registrable Securities for Exchange Securities and (y) have such Registration Statement remain effective until 180 days after the date the Exchange Offer Registration Statement became effective for use by one or more Participating Broker-Dealers. The Company and the Guarantor shall commence the Exchange Offer promptly after the Exchange Offer Registration Statement is declared effective by the SEC and use their reasonable best efforts to complete the Exchange Offer no later than the Target Registration Date.

The Company and the Guarantor shall commence the Exchange Offer by mailing or making available the related Prospectus, appropriate letters of transmittal and other accompanying documents to each Holder stating, in addition to such other disclosures as are required by applicable law, substantially the following:

(i) that the Exchange Offer is being made pursuant to this Agreement and that all Registrable Securities validly tendered and not properly withdrawn will be accepted for exchange;

(ii) the dates of acceptance for exchange (which shall be a period of at least 20 Business Days (in accordance with the Exchange Act) from the date such notice is mailed or made available) (the “Exchange Dates”);

(iii) that any Registrable Security not tendered will remain outstanding and continue to accrue interest but will not retain any rights under this Agreement, except as otherwise specified herein;

(iv) that any Holder electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to (A) surrender such Registrable Security, together with the appropriate letters of transmittal, to the institution and at the address and in the manner specified in the notice, or (B) effect such exchange otherwise in compliance with the applicable procedures of the depository for such Registrable Security, in each case prior to the close of business on the last Exchange Date; and

(v) that any Holder will be entitled to withdraw its election, not later than the close of business on the last Exchange Date, by (A) sending to the institution and at the address specified in the notice, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange, such other information as may be reasonably required to identify the Securities to be withdrawn and a statement that such Holder is withdrawing its election to have such Securities exchanged or (B) effecting such withdrawal in compliance with the applicable procedures of the depository for the Registrable Securities.

As a condition to participating in the Exchange Offer, a Holder will be required to represent to the Company and the Guarantor that (I) any Exchange Securities to be received by it will be acquired in the ordinary course of its business, (II) at the time of the commencement of the Exchange Offer it is not engaged in, and does not intend to engage in, and it has no arrangement or understanding with any Person to participate in, the distribution (within the meaning of the Securities Act) of the Exchange Securities in violation of the Securities Act, (III) it is not an “affiliate” (as defined in Rule 405 under the Securities Act) of the Company or the Guarantor or, if it is such an “affiliate,” such Holder will comply with the prospectus delivery requirements of the Securities Act to the extent applicable in connection with any resale of the Exchange Securities and (IV) if such Holder is a broker-dealer that will receive Exchange Securities for its own account in exchange for Registrable Securities that were acquired as a result of market making or other trading activities, then such Holder will comply with the prospectus delivery requirements of the Securities Act, to the extent applicable, in connection with any resale of the Exchange Securities. Each Holder hereby acknowledges and agrees that any broker-dealer and any such Holder using the Exchange Offer to participate in a distribution of the securities to be acquired in the Exchange Offer (1) could not under

SEC policy as in effect on the date of this Agreement rely on the position of the SEC enunciated in Morgan Stanley and Co., Inc. (available June 5, 1991) and Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the SEC's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters, and (2) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction and that such a secondary resale transaction should be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K if the resales are of Exchange Securities obtained by such Holder in exchange for Registrable Securities acquired by such Holder directly from the Company.

As soon as practicable after the last Exchange Date, the Company and the Guarantor shall:

(i) accept for exchange Registrable Securities or portions thereof validly tendered and not properly withdrawn pursuant to the Exchange Offer; and

(ii) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities or portions thereof so accepted for exchange by the Company and issue, and cause the Trustee to promptly authenticate and deliver to each Holder, Exchange Securities equal in principal amount to the principal amount of the Registrable Securities validly tendered by such Holder.

The Company and the Guarantor shall use their reasonable best efforts to complete the Exchange Offer as provided above and shall comply with the applicable requirements of the Securities Act, the Exchange Act and other applicable laws and regulations in connection with the Exchange Offer. The Exchange Offer shall not be subject to any conditions, other than that the Exchange Offer does not violate any applicable law or applicable interpretations of the Staff and customary conditions relating to the delivery of Securities or other actions customarily taken by Holders participating in the Exchange Offer or the execution and delivery of customary documentation relating to the Exchange Offer.

(b) In the event that (i) the Company and the Guarantor determine that the Exchange Offer Registration provided for in Section 2(a) hereof is not available or may not be completed as soon as practicable after the last Exchange Date because it would violate any applicable law or applicable interpretations of the Staff, (ii) a Holder participating in the Exchange Offer does not receive Exchange Securities on the date of the exchange that may be sold without restriction under state and federal securities laws (other than due solely to the status of such Holder as an affiliate of the Company within the meaning of the Securities Act) and notifies (a "Holder Notice") the Company within 30 days after such Holder first becomes aware of such restrictions, (iii) the Exchange Offer, for any other reason, is not completed by the Target Registration Date or (iv) upon receipt of a written request (a "Shelf Request") from any Initial Purchaser representing that it holds Registrable Securities that are or were ineligible to be exchanged in the Exchange Offer, the Company and the Guarantor shall use their reasonable best efforts to cause to be filed, as soon as practicable after such determination date, Holder Notice or

Shelf Request, as the case may be, a Shelf Registration Statement providing for the sale of all the Registrable Securities by the Holders thereof and to have such Shelf Registration Statement become effective.

In the event that the Company and the Guarantor are required to file a Shelf Registration Statement pursuant to clause (iii) or (iv) of the preceding sentence, the Company and the Guarantor shall use their reasonable best efforts to file and have become effective both an Exchange Offer Registration Statement pursuant to Section 2(a) hereof with respect to all Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Securities held by the Initial Purchasers, if any, after completion of the Exchange Offer.

The Company and the Guarantor agree to use their reasonable best efforts to keep the Shelf Registration Statement continuously effective for a period of one year from the effective date of such Shelf Registration Statement or such shorter period that will terminate when all of the Securities covered by the Shelf Registration Statement cease to be Registrable Securities (the "Shelf Effectiveness Period"). The Company and the Guarantor further agree to supplement or amend the Shelf Registration Statement, the related Prospectus and any Free Writing Prospectus if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement or by the Securities Act or by any other rules and regulations thereunder or if reasonably requested by a Holder of Registrable Securities with respect to information relating to such Holder, and to use their reasonable best efforts to cause any such amendment to become effective, if required, and such Shelf Registration Statement, Prospectus or Free Writing Prospectus, as the case may be, to become usable as soon as thereafter practicable. The Company and the Guarantor agree to furnish to the Holders of Registrable Securities registered on such Shelf Registration Statement copies of any such supplement or amendment promptly after its being used or filed with the SEC.

(c) The Company and the Guarantor shall pay all Registration Expenses in connection with any registration pursuant to Section 2(a) or Section 2(b) hereof. Each Holder shall pay all underwriting discounts and commissions, brokerage commissions and transfer taxes, if any, relating to the sale or disposition of such Holder's Registrable Securities pursuant to any Shelf Registration Statement.

(d) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof will not be deemed to have become effective unless it has been declared effective by the SEC. A Shelf Registration Statement pursuant to Section 2(b) hereof will not be deemed to have become effective unless it has been declared effective by the SEC or is automatically effective upon filing with the SEC as provided by Rule 462 under the Securities Act.

In the event that either the Exchange Offer is not completed by the Target Registration Date or the Shelf Registration Statement, if required pursuant to Sections 2(b)(i) or 2(b)(iii) hereof, is not effective by the Target Registration Date, the interest rate

on the Registrable Securities will be increased by (i) 0.25% per annum for the first 90-day period immediately following such date and (ii) an additional 0.25% per annum with respect to each subsequent 90-day period, in each case until the Exchange Offer is completed or the Shelf Registration Statement, if required hereby, becomes effective, up to a maximum total increase of 0.50% per annum. In the event that the Company receives a Holder Notice or Shelf Request pursuant to Sections 2(b)(ii) or 2(b)(iv) hereof, and the Shelf Registration Statement required to be filed thereby has not become effective by the later of the Target Registration Date or (y) 90 days after delivery of such Holder Notice or Shelf Request (such later date, the “Shelf Additional Interest Date”), then the interest rate on the Registrable Securities will be increased by (i) 0.25% per annum for the first 90-day period payable commencing from one day after the Shelf Additional Interest Date and (ii) an additional 0.25% per annum with respect to each subsequent 90-day period, in each case until the Shelf Registration Statement becomes effective, up to a maximum total increase of 0.50% per annum.

If the Shelf Registration Statement, if required hereby, is effective and thereafter either ceases to be effective or the Prospectus contained therein ceases to be usable, in each case whether or not permitted by this Agreement, at any time during the Shelf Effectiveness Period, and such failure to remain effective or usable exists for more than 60 days (whether or not consecutive) in any 12-month period (the 60th such date, the “Trigger Date”), then the interest rate on the Registrable Securities will be increased by (i) 0.25% per annum for the first 90-day period immediately following the Trigger Date and (ii) an additional 0.25% per annum with respect to each subsequent 90-day period, up to a maximum increase of 0.50% per annum, and ending on such date that the Shelf Registration Statement is again effective or the Prospectus again becomes usable. Such additional interest shall accrue as liquidated damages on the principal amount of the Exchange Securities or Registrable Securities, as the case may be.

(e) Without limiting the remedies available to the Initial Purchasers and the Holders, the Company and the Guarantor acknowledge that any failure by the Company or the Guarantor to comply with their obligations under Section 2(a) and Section 2(b) hereof may result in material irreparable injury to the Initial Purchasers or the Holders for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Initial Purchasers or any Holder may obtain such relief as may be required to specifically enforce the Company’s and the Guarantor’s obligations under Section 2(a) and Section 2(b) hereof.

### 3. Registration Procedures.

(a) In connection with their obligations pursuant to Section 2(a) and Section 2(b) hereof, the Company and the Guarantor shall as soon as practicable:

(i) prepare and file with the SEC a Registration Statement on the appropriate form under the Securities Act, which form (x) shall be selected by the Company and the Guarantor, (y) shall, in the case of a Shelf Registration, be available for the sale of the Registrable Securities by the Holders thereof and (z) shall comply as to form in all material respects with the requirements of the

applicable form and include all financial statements required by the SEC to be filed therewith; and use their reasonable best efforts to cause such Registration Statement to become effective and remain effective for the applicable period in accordance with Section 2 hereof;

(ii) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for the applicable period in accordance with Section 2 hereof and cause each Prospectus to be supplemented by any required prospectus supplement and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act; and keep each Prospectus current during the period described in Section 4(3) of and Rule 174 under the Securities Act that is applicable to transactions by brokers or dealers with respect to the Registrable Securities or Exchange Securities;

(iii) to the extent any Free Writing Prospectus is used, file with the SEC any Free Writing Prospectus that is required to be filed by the Company or the Guarantor with the SEC in accordance with the Securities Act and to retain any Free Writing Prospectus not required to be filed;

(iv) in the case of a Shelf Registration, use their reasonable best efforts upon written request, to furnish to each Holder of Registrable Securities included on such Shelf Registration Statement, to counsel for the Initial Purchasers, to counsel for such Holders and to each Underwriter of an Underwritten Offering of Registrable Securities, if any, without charge, as many copies of each Prospectus, preliminary prospectus or Free Writing Prospectus, and any amendment or supplement thereto, as such Holder, counsel or Underwriter may reasonably request in writing in order to facilitate the sale or other disposition of the Registrable Securities thereunder; and the Company and the Guarantor consent to the use of such Prospectus, preliminary prospectus or such Free Writing Prospectus and any amendment or supplement thereto in accordance with applicable law by each of the Holders of Registrable Securities and any such Underwriters in connection with the offering and sale of the Registrable Securities covered by and in the manner described in such Prospectus, preliminary prospectus or such Free Writing Prospectus or any amendment or supplement thereto in accordance with applicable law;

(v) in the case of an Exchange Offer Registration Statement, use their reasonable best efforts to register and qualify the Registrable Securities under all applicable state securities or blue sky laws and, in the case of a Shelf Registration Statement, cooperate with the selling Holders and their counsel to register or qualify the Registrable Securities under all applicable state securities or blue sky laws of such jurisdictions as any Holder of Registrable Securities covered by such Shelf Registration Statement shall reasonably request in writing by the time the applicable Shelf Registration Statement becomes effective; cooperate with such Holders in connection with any filings required to be made with FINRA; and use their reasonable best efforts to do any and all other acts and things that may be

reasonably necessary or advisable to enable each Holder to complete the disposition in each such jurisdiction of the Registrable Securities owned by such Holder; provided that neither the Company nor the Guarantor shall be required to (1) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (2) file any general consent to subject itself to service of process in any such jurisdiction or (3) subject itself to taxation in any such jurisdiction if it is not so subject;

(vi) notify counsel for the Initial Purchasers and, in the case of a Shelf Registration, notify each Holder of Registrable Securities included on such Shelf Registration Statement and counsel for such Holders promptly and, if requested by any such Holder or counsel, confirm such advice in writing (1) when a Registration Statement has become effective, when any post-effective amendment thereto has been filed and becomes effective, when any Free Writing Prospectus has been filed or any amendment or supplement to the Prospectus or any Free Writing Prospectus has been filed, (2) of any request by the SEC or any state securities authority for amendments and supplements to a Registration Statement, Prospectus or any Free Writing Prospectus or for additional information after the Registration Statement has become effective, (3) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, including the receipt by the Company of any notice of objection of the SEC to the use of a Shelf Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act, (4) if, between the applicable effective date of a Shelf Registration Statement and the closing of any sale of Registrable Securities covered thereby, the Company or the Guarantor receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, (5) of the happening of any event during the period a Registration Statement is effective that makes any statement made in such Registration Statement or the related Prospectus or any Free Writing Prospectus or any amendment or supplement thereto untrue in any material respect or that requires the making of any changes in such Registration Statement or Prospectus or any Free Writing Prospectus in order to make the statements therein not misleading (in the case of the Prospectus, in light of the circumstances under which they were made) and (6) of any determination by the Company or the Guarantor that a post-effective amendment to a Registration Statement or any amendment or supplement to the Prospectus or any Free Writing Prospectus would be required;

(vii) use their reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement, or, in the case of a Shelf Registration, the resolution of any objection of the SEC pursuant to Rule 401(g)(2) under the Securities Act, including by filing an amendment to such Shelf Registration Statement on the proper form, as promptly as reasonably practicable and provide prompt notice to each Holder of the withdrawal of any such order or such resolution;

(viii) in the case of a Shelf Registration, furnish to each Holder of Registrable Securities included on such Shelf Registration Statement, without charge, upon written request, at least one conformed copy of each Registration Statement and any post-effective amendment thereto (without any documents incorporated therein by reference or exhibits thereto, unless requested in writing, if such documents are not available via EDGAR);

(ix) in the case of a Shelf Registration, cooperate with the Holders of Registrable Securities included on such Shelf Registration Statement to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends and enable such Registrable Securities to be issued in such denominations and registered in such names (consistent with the provisions of the Indenture) as such Holders may reasonably request at least three Business Days prior to the closing of any sale of Registrable Securities;

(x) upon the occurrence of any event contemplated by Section 3(a)(vi)(5) hereof, use their reasonable best efforts to prepare and file with the SEC a supplement or post-effective amendment to such Registration Statement or the related Prospectus or any Free Writing Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered (or, to the extent permitted by law, made available) to purchasers of the Registrable Securities, such Prospectus or Free Writing Prospectus, as the case may be, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and the Company and the Guarantor shall notify the Holders of Registrable Securities and the Initial Purchasers, as applicable, to suspend use of the Prospectus or any Free Writing Prospectus as promptly as reasonably practicable after the occurrence of such an event, and such Holders and Initial Purchasers, as applicable, hereby agree to suspend use of the Prospectus or any Free Writing Prospectus, as the case may be, until the Company and the Guarantor have amended or supplemented the Prospectus or the Free Writing Prospectus, as the case may be, to correct such misstatement or omission;

(xi) within a reasonable time prior to the filing of any Registration Statement, any Prospectus, any Free Writing Prospectus, or any amendment of or supplement to a Registration Statement, a Prospectus or a Free Writing Prospectus, in each case, excluding any document that is to be incorporated by reference into such Registration Statement, Prospectus, Free Writing Prospectus or any amendment or supplement thereto after the initial filing of a Registration Statement, provide copies of such document to the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, to the Holders of Registrable Securities included on such Shelf Registration Statement and their

counsel) and make representatives of the Company and the Guarantor, as shall be reasonably requested by the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities included on such Shelf Registration Statement or their counsel), available for discussion of such document; and the Company and the Guarantor shall not, at any time after initial filing of a Registration Statement, use or file any Prospectus, any Free Writing Prospectus, any amendment of or supplement to a Registration Statement, a Prospectus or a Free Writing Prospectus, or any document that is to be incorporated by reference into a Registration Statement, a Prospectus or a Free Writing Prospectus, of which the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities and their counsel) shall not have previously been advised and furnished a copy or to which the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities or their counsel) shall reasonably object in writing within five Business Days after receipt thereof, unless the Company in good faith reasonably believes such Prospectus, amendment or supplement to a Prospectus is required by applicable law;

(xii) use reasonable best efforts to obtain a CUSIP number for all Exchange Securities or Registrable Securities, as the case may be, not later than the initial effective date of a Registration Statement;

(xiii) cause the Indenture to be qualified under the Trust Indenture Act in connection with the registration of the Exchange Securities or Registrable Securities, as the case may be; cooperate with the Trustee and the Holders to effect such changes to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and execute, and use their reasonable best efforts to cause the Trustee to execute, all documents as may be required to effect such changes and all other forms and documents required to be filed with the SEC to enable the Indenture to be so qualified in a timely manner;

(xiv) in the case of a Shelf Registration, make available for inspection by a representative of the Holders of the Registrable Securities (an “Inspector”), any Underwriter participating in any disposition pursuant to such Shelf Registration Statement, one firm of counsel and one firm of accountants designated by a majority of the Holders of Registrable Securities to be included in such Shelf Registration and any attorneys and accountants designated by such Underwriter, at reasonable times and in a reasonable manner, all pertinent financial and other records, pertinent documents and properties of the Company and its subsidiaries, and cause the respective officers, directors and employees of the Company and the Guarantor to supply all information reasonably requested by any such Inspector, Underwriter, attorney or accountant in connection with a Shelf Registration Statement; provided that if any such information is identified by the Company or the Guarantor as being confidential or proprietary, each Person receiving such information shall take such actions as are reasonably necessary to protect the confidentiality of such information to the extent such action is otherwise not inconsistent with, an impairment of or in derogation of the rights and interests of any Inspector, Holder or Underwriter;

(xv) in the case of a Shelf Registration, use their reasonable best efforts to cause all Registrable Securities to be listed on any securities exchange or any automated quotation system on which similar securities issued or guaranteed by the Company or the Guarantor are then listed if requested by the Majority Holders, to the extent such Registrable Securities satisfy applicable listing requirements;

(xvi) if reasonably requested by any Holder of Registrable Securities covered by a Shelf Registration Statement, promptly include in a Prospectus supplement or post-effective amendment such information with respect to such Holder as such Holder reasonably requests to be included therein and make all required filings of such Prospectus supplement or such post-effective amendment as soon as reasonably practicable after the Company has received notification of the matters to be so included in such filing;

(xvii) in the case of a Shelf Registration, enter into such customary agreements and take all such other actions in connection therewith (including those reasonably requested by the Holders of a majority in principal amount of the Registrable Securities covered by the Shelf Registration Statement) in order to expedite or facilitate the disposition of such Registrable Securities including, but not limited to, in an Underwritten Offering and in such connection, (1) to the extent possible, make such representations and warranties to the Holders and any Underwriters of such Registrable Securities with respect to the business of the Company and its subsidiaries and the Registration Statement, Prospectus, any Free Writing Prospectus and documents incorporated by reference or deemed incorporated by reference, if any, in each case, in form, substance and scope as are customarily made by issuers to underwriters in underwritten offerings and confirm the same if and when required by the applicable underwriting agreement or requested by the Holder, as applicable, (2) obtain opinions of counsel to the Company and the Guarantor (which counsel and opinions, in form, scope and substance, shall be reasonably satisfactory to the Holders of a majority in principal amount of the Registrable Securities being sold and such Underwriters and their respective counsel) addressed to each selling Holder and Underwriter of such Registrable Securities, covering the matters customarily covered in opinions requested in underwritten offerings, (3) obtain “comfort” letters from the independent certified public accountants of the Company and the Guarantor (and, if necessary, any other certified public accountant of any subsidiary of the Company or the Guarantor, or of any business acquired by the Company or the Guarantor for which financial statements and financial data are or are required to be included in the Registration Statement) addressed to each selling Holder (to the extent permitted by applicable professional standards) and Underwriter of such Registrable Securities, such letters to be in customary form and covering matters of the type customarily covered in “comfort” letters in connection with underwritten offerings, including but not limited to financial information

contained in any preliminary prospectus, Prospectus or Free Writing Prospectus, and (4) deliver such documents and certificates as may be reasonably requested by the Holders of a majority in principal amount of the Registrable Securities being sold or the Underwriters, and which are customarily delivered in underwritten offerings, to evidence the continued validity of the representations and warranties of the Company and the Guarantor made pursuant to clause (1) above and to evidence compliance with any customary conditions contained in an underwriting agreement; it being agreed that the representations and warranties, opinions of counsel and comfort letters delivered in connection with the initial offering of the Securities are customary; and

(xviii) use reasonable best efforts to cause the Registrable Securities covered by any Shelf Registration Statement to be rated, if not then rated, with the appropriate rating agencies, if so requested by the Holders of a majority in aggregate principal amount of Securities covered thereby or the Underwriters, if any.

(b) In the case of a Shelf Registration Statement, the Company may require each Holder of Registrable Securities to furnish to the Company such information regarding such Holder and the proposed disposition by such Holder of such Registrable Securities as the Company and the Guarantor may from time to time reasonably request in writing; provided that if such Holder fails to provide the requested information within 15 Business Days, the Company may exclude such Holder's Registrable Securities from such Shelf Registration Statement until such time as the information is provided.

(c) In the case of a Shelf Registration Statement, each Holder of Registrable Securities covered in such Shelf Registration Statement agrees that, upon receipt of any notice from the Company and the Guarantor of the happening of any event of the kind described in Sections 3(a)(vi)(3) or 3(a)(vi)(5) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Shelf Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus and any Free Writing Prospectus contemplated by Section 3(a)(x) hereof and, if so directed by the Company and the Guarantor, such Holder will deliver to the Company and the Guarantor (at its expense) all copies in its possession, other than permanent file copies then in such Holder's possession, of the Prospectus and any Free Writing Prospectus covering such Registrable Securities that is current at the time of receipt of such notice.

(d) If the Company and the Guarantor shall give any notice to suspend the disposition of Registrable Securities pursuant to a Registration Statement, the Company and the Guarantor shall extend the period during which such Registration Statement shall be maintained effective pursuant to this Agreement by the number of days during the period from and including the date of the giving of such notice to and including the date when the Holders of such Registrable Securities shall have received copies of the supplemented or amended Prospectus or any Free Writing Prospectus necessary to resume such dispositions. The Company and the Guarantor may give any such notice only twice during any 365-day period, any such suspensions shall not exceed 60 days for each suspension and there shall not be more than two suspensions in effect during any 365-day period.

(e) The Holders of Registrable Securities covered by a Shelf Registration Statement who desire to do so may sell such Registrable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment bank or investment banks and manager or managers (each an “Underwriter”) that will administer the offering will be selected by the Holders of a majority in principal amount of the Registrable Securities included in such offering and shall be reasonably acceptable to the Company. However, each Holder agrees that, neither such Holder nor any Underwriter participating in any disposition pursuant to any Registration Statement on such Holder’s behalf, will make any offer relating to the Registrable Securities that would constitute an Issuer Free Writing Prospectus (as defined in Rule 433 under the Securities Act) or that would otherwise constitute a “free writing prospectus” (as defined in Rule 405 under the Securities Act) required to be filed by the Company with the SEC or retained by the Company under Rule 433 of the Securities Act, unless it has obtained the prior written consent of the Company.

#### 4. Participation of Broker-Dealers in Exchange Offer.

(a) The Company has been advised that the Staff has taken the position that any broker-dealer that receives Exchange Securities for its own account in the Exchange Offer in exchange for Securities that were acquired by such broker-dealer as a result of market-making or other trading activities (a “Participating Broker-Dealer”) may be deemed to be an “underwriter” within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Securities.

The Company and the Guarantor have been advised that it is the Staff’s position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Securities, without naming the Participating Broker-Dealers or specifying the amount of Exchange Securities owned by them, such Prospectus may be delivered by Participating Broker-Dealers (or, to the extent permitted by law, made available to purchasers) to satisfy their prospectus delivery obligation under the Securities Act in connection with resales of Exchange Securities for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

(b) In light of the above, and notwithstanding the other provisions of this Agreement, the Company and the Guarantor agree to use their reasonable best efforts to amend or supplement the Prospectus contained in the Exchange Offer Registration Statement for a period ending on the earlier of (i) 180 days after the date the Exchange Offer Registration Statement becomes effective (as such period may be extended pursuant to Section 3(d) hereof) and (ii) the date on which each Participating Broker-Dealer is no longer required to deliver a prospectus in connection with market making or other trading activities, in each case to the extent necessary to ensure that the Exchange

Offer Registration Statement is available for resale of the Registrable Securities acquired by the Participating Broker-Dealers. The Company and the Guarantor further consent to the delivery of (or, to the extent permitted by law, agree to make available) such Prospectus by Participating Broker-Dealers during such period in connection with the resales contemplated by this Section 4.

(c) The Initial Purchasers shall have no liability to the Company, the Guarantor or any Holder with respect to any request that they may make pursuant to Section 4(b) hereof.

#### 5. Indemnification and Contribution.

(a) The Company and the Guarantor, jointly and severally, agree to indemnify and hold harmless each Initial Purchaser, each Holder, their respective affiliates, directors and officers and each Person, if any, who controls any Initial Purchaser or any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, reasonable legal fees and other expenses reasonably incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (1) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, (2) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus, or in any amendment thereof or any supplement thereto, any Free Writing Prospectus or any "issuer information" ("Issuer Information") filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Initial Purchaser or information relating to any Holder furnished to the Company in writing by or on behalf of such parties expressly for use therein. In connection with any Underwritten Offering permitted by Section 3 hereof, the Company and the Guarantor, jointly and severally, will also indemnify the Underwriters, if any, their respective affiliates and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the Holders, if requested in connection with any Registration Statement, any Prospectus, any Free Writing Prospectus or any Issuer Information.

(b) Each Holder agrees, severally and not jointly, to indemnify and hold harmless the Company and the Guarantor and their respective affiliates, directors and officers, and the Initial Purchasers and the other selling Holders, the directors of the Company and the Guarantor, each officer of the Company and the Guarantor who signed the Registration Statement and each Person, if any, who controls the Company, the Guarantor, any Initial Purchaser and any other selling Holder within the meaning of Section 15 of the Securities

Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities (including without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred) that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Holder furnished to the Company in writing by or on behalf of such Holder expressly for use in any Registration Statement, any Prospectus or any Free Writing Prospectus.

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any Person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such Person (the "Indemnified Person") shall promptly notify the Person against whom such indemnification may be sought (the "Indemnifying Person") in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b). If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 5 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm (x) for any Initial Purchaser or its affiliates, directors and officers and any control Persons of such Initial Purchaser shall be designated in writing by such Initial Purchasers, (y) for any Holder, its directors and officers and any control Persons of such Holder shall be designated in writing by the Majority Holders and (z) in all other cases shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any

proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (A) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to or any admission of fault, culpability or failure to act by or on behalf of any Indemnified Person.

(d) If the indemnification provided for in paragraphs (a) or (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantor from the offering of the Securities and the Exchange Securities, on the one hand, and by the Holders from receiving Securities or Exchange Securities registered under the Securities Act, on the other hand, or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company and the Guarantor, on the one hand, and the Holders, on the other, in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company and the Guarantor, on the one hand, and the Holders, on the other, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and the Guarantor or by the Holders, as applicable, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company, the Guarantor and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 5 were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (e) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (e) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 5, in no event shall a Holder be required to contribute any amount in excess of the amount by which the total price at which the Securities or Exchange Securities sold by such Holder exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person

guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 5 are several and not joint.

(f) The remedies provided for in this Section 5 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

(g) The indemnity and contribution provisions contained in this Section 5 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Initial Purchasers or any Holder or any Person controlling any Initial Purchaser or any Holder, or by or on behalf of the Company or the Guarantor or the officers or directors of or any Person controlling the Company or the Guarantor, (iii) acceptance of any of the Exchange Securities and (iv) any sale of Registrable Securities pursuant to a Shelf Registration Statement.

## 6. General.

(a) *No Inconsistent Agreements.* The Company and the Guarantor represent, warrant and agree that (i) the rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of any other outstanding securities issued or guaranteed by the Company or the Guarantor under any other agreement and (ii) neither the Company nor the Guarantor has entered into, or on or after the date of this Agreement will enter into, any agreement that is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof.

(b) *Amendments and Waivers.* The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company and the Guarantor have obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent; provided that no amendment, modification, supplement, waiver or consent to any departure from the provisions of Section 6 hereof shall be effective as against any Holder of Registrable Securities unless consented to in writing by such Holder. Any amendments, modifications, supplements, waivers or consents pursuant to this Section 6(b) shall be by a writing executed by each of the parties hereto.

(c) *Notices.* Except as otherwise specified herein, all notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, telex, telecopier or any courier guaranteeing overnight delivery (i) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions of this Section 6(c), which address initially is, with respect to the Initial Purchasers, the address set forth in the Purchase Agreement; (ii) if to the Company and the Guarantor, initially at

the Company's address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c); and (iii) if to such other persons, at their respective addresses as provided in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c). All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when answered back, if telexed; when receipt is acknowledged, if telecopied; and on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery. Copies of all such notices, demands or other communications shall be concurrently delivered by the Person giving the same to the Trustee, at the address specified in the Indenture.

(d) *Successors and Assigns.* This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; provided that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such Person shall be entitled to receive the benefits hereof. The Initial Purchasers (in their capacity as Initial Purchasers) shall have no liability or obligation to the Company or the Guarantor with respect to any failure by a Holder to comply with, or any breach by any Holder of, any of the obligations of such Holder under this Agreement.

(e) *Third-Party Beneficiaries.* Each Holder shall be a third-party beneficiary to the agreements made hereunder between the Company and the Guarantor, on the one hand, and the Initial Purchasers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of other Holders hereunder.

(f) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts (which may include counterparts delivered by any standard form of telecommunication), each of which shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(g) *Headings.* The headings in this Agreement are for convenience of reference only, are not a part of this Agreement and shall not limit or otherwise affect the meaning hereof.

(h) *Governing Law.* This Agreement and any claim, controversy or dispute arising under or related to this Agreement shall be governed by and construed in accordance with the laws of the State of New York.

(i) *Entire Agreement; Severability.* This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto. If any term, provision, covenant or restriction contained in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable or against public policy, the remainder of the terms, provisions, covenants and restrictions contained herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated. The Company, the Guarantor and the Initial Purchasers shall endeavor in good faith negotiations to replace the invalid, void or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of such invalid, void or unenforceable provisions.
