**Kraft Heinz Commences Cash Tender Offer for Up To
\$1 Billion Aggregate Purchase Price of Certain of its Outstanding Notes**

PITTSBURGH & CHICAGO – September 11, 2019 – The Kraft Heinz Company (“Kraft Heinz”) (Nasdaq: KHC) announced today that its 100% owned subsidiary Kraft Heinz Foods Company (the “Issuer”) has commenced an offer to purchase for cash (the “Tender Offer”) up to the maximum combined aggregate purchase price of \$1 billion, excluding accrued and unpaid interest (the “Maximum Tender Amount”) of its outstanding 3.500% senior notes due June 2022 (the “June 2022 Notes”), 3.500% senior notes due July 2022 (the “July 2022 Notes”), 4.000% senior notes due 2023 (the “2023 Notes”) and 4.875% second lien senior secured notes due 2025 (the “2025 Notes”) and, together with the June 2022 Notes, the July 2022 Notes and the 2023 Notes, the “Notes” and each, a “Series” of Notes). Subject to the Maximum Tender Amount, the amount of a Series of Notes that is purchased in the Tender Offer will be based on the Acceptance Priority Levels set forth below. The Tender Offer is being made on the terms and subject to the conditions set forth in the offer to purchase dated September 11, 2019 (the “Offer to Purchase”).

Consummation of the Tender Offer and payment for the tendered Notes is subject to the satisfaction or waiver of certain conditions described in the Offer to Purchase, including the completion by the Issuer of a private offering of the Issuer’s debt securities that commenced concurrently with the Tender Offer, with net proceeds in an amount equal to at least \$1.5 billion, on terms and subject to conditions reasonably satisfactory to Kraft Heinz, as well as other customary conditions. Subject to applicable law, the Issuer has reserved the absolute right, in its sole discretion, to at any time (i) waive any and all conditions to the Tender Offer, (ii) extend, terminate or withdraw the Tender Offer, (iii) increase or waive the Maximum Tender Amount, with or without extending the Withdrawal Deadline (as defined in the Offer to Purchase) or (iv) otherwise amend the Tender Offer in any respect.

Kraft Heinz also intends to issue a notice of conditional partial redemption providing for the redemption of \$500,000,000 aggregate principal amount of the Issuer’s remaining outstanding 2.800% senior notes due 2020, at a redemption price of 100%, plus the applicable redemption premium and accrued and unpaid interest, if any, to, but not including, October 11, 2019, the expected redemption date.

The Tender Offer will expire at 11:59 p.m., New York City time, on October 8, 2019, unless extended or earlier terminated as described in the Offer to Purchase (such time and date, as they may be extended, the “Expiration Time”). Holders of the Notes (“Holders”) may withdraw their validly tendered Notes at any time prior to 5:00 p.m., New York City time, on September 24, 2019, unless extended. Holders are urged to read the Offer to Purchase carefully before making any decision with respect to the Tender Offer.

Certain information regarding the Notes and the Tender Offer is set forth in the table below.

(1) Fixed Spread includes the Early Tender Premium.

(2) Per \$1,000 principal amount of Notes validly tendered and accepted for purchase (the “Early Tender Premium”).

Holders who validly tender and do not validly withdraw their Notes at or prior to 5:00 p.m., New York City time, on September 24, 2019, unless extended with respect to any Series of Notes (such date and time, as the same may be extended, the “Early Tender Time”) or earlier terminated by the Issuer, will be eligible to receive the applicable Total Tender Offer Consideration (as defined in the Offer to Purchase), which includes the applicable Early Tender Premium as set forth in the table above. The applicable total consideration for each \$1,000 principal amount of Notes validly tendered and accepted for purchase will be determined in the manner described in the Offer to Purchase by reference to the applicable fixed spread over the bid-side yield of the applicable reference security, calculated as of 10:00 a.m., New York City time, on September 25, 2019. Holders of Notes who validly tender and do not validly withdraw their Notes after the Early Tender Time and at or prior to the Expiration Time will be eligible to receive only the applicable Late Tender Offer Consideration, which is equal to the applicable Total Tender Offer Consideration minus the applicable Early Tender Premium.

For Notes tendered at or prior to the Early Tender Time, not subsequently validly withdrawn and accepted for purchase, the Issuer has the option for settlement to occur on the Early Settlement Date (as defined in the Offer to Purchase), which is expected to be September 26, 2019, the second business day following the Early Tender Time. Settlement for Notes tendered after the Early Tender Time, but at or prior to the Expiration Time, is expected to occur on October 9, 2019, the business day following the Expiration Time, unless extended.

In addition, all Notes accepted for purchase will be entitled to receipt of accrued and unpaid interest in respect of such Notes from the last interest payment date to, but excluding, the applicable settlement date.

Subject to the Maximum Tender Amount, the application of the Acceptance Priority Levels and the other terms and conditions described in the Offer to Purchase, the Issuer intends to accept for purchase all Notes validly tendered and not validly withdrawn at or prior to the Early Tender Time. However, if the Tender Offer is fully subscribed as of the Early Tender Time, Holders who validly tender their Notes after the Early Tender Time will not have any of their Notes accepted for purchase. Notes validly tendered at or prior to the Early Tender Time will be accepted for purchase in priority to the other Notes tendered after the Early Tender Time even if such Notes tendered after the Early Tender Time have a higher Acceptance Priority Level than the Notes tendered at or prior to the Early Tender Time. As a result, each Holder who validly tenders Notes pursuant to the Tender Offer may have a portion of its Notes returned to it, and the amount of Notes returned will depend on the level of participation of Holders in the Tender Offer. The Tender Offer may be subject to proration if the aggregate principal amount of Notes that is validly tendered is greater than the Maximum Tender Amount.

Kraft Heinz has engaged BofA Merrill Lynch, Citigroup, Goldman Sachs & Co. LLC, and J.P. Morgan to act as dealer managers (collectively, the “Dealer Managers”) in connection with the Tender Offer and has appointed Global Bondholders Services Corporation to serve as the tender agent and information agent for the Tender Offer. Copies of the Offer to Purchase are available at <https://www.gbhc-usa.com/kraftheinzcompany/> or by contacting Global Bondholders Services Corporation via telephone by calling +1 (866) 794-2200 (toll free) or +1 212-430-3774 (for banks and brokers). Neither the Issuer, Kraft Heinz, their boards of directors or boards of managers, as applicable, the Dealer Managers, Global Bondholders Services Corporation nor the trustees for the Notes, or any of their respective affiliates, is making any recommendation as to whether Holders should tender any Notes in response to the Tender Offer. Holders must make their own decision as to whether to tender any of their Notes and, if so, the principal amounts of Notes to tender.

This press release is for informational purposes only and is not an offer to purchase, a solicitation of an offer to purchase or a solicitation of consents with respect to any securities. This press release does not describe all the material terms of the Tender Offer, and no decision should be made by any Holder on the basis of this press release.
