We intend to hold our 2020 Annual Meeting of Stockholders (Annual Meeting) in person. However, we are actively monitoring the coronavirus (COVID-19). We are sensitive to the public health and travel concerns our stockholders may have and the protocols that federal, state, and local governments may impose. In the event it is not possible or advisable to hold our Annual Meeting in person, we will announce alternative arrangements for the meeting as promptly as practicable, which may include holding the meeting solely by means of remote communication. Please monitor this website for updated information. If you are planning to attend our meeting, please check this website one week prior to the meeting date. As always, we encourage you to vote your shares prior to the Annual Meeting.
